

**MOUNTAIN AIRE HEATING &
AIR CONDITIONING**

317 North Zane Highway
Martins Ferry, OH. 43935
Phone: 304-233-9800

Thank you for Participating in the 62nd Annual 2026 Giant Pumpkin Parade. Mountain Aire Heating and Air Conditioning will be taking on the presentation of the parade for the first time this year.

Registration forms can be completed prior to arrival and returned to parade@barnesvillepumpkinfestival.com or mailed to the address on the application. You may also bring them the day of the parade. Line up will take place on a first come first serve basis except for bands and large walking groups to help keep the parade moving.

On the day of the parade:

Please arrive at least 1 hour prior to the start (11:45 a.m.). We ask that participants enter from Roosevelt Road and turn right into Shamrock Drive. There will be a check-in table set up on Shamrock Drive. You will need to stop here and get your number and location for line up.

Starting at 9:45 a.m. Shamrock Drive will be limited to one way traffic west bound for registration, this will remain in place until after the parade is over.

If you are arriving by bus, we recommend arriving 90 minutes early to unload and the bus can proceed to the Barnesville Shamrock Football Stadium off Park Street. This is near the parade end. Parade routes and direction to the end of the route can be obtained at check-in.

We ask the following:

- **Please share the exact name of your entry with all your participants so that we can help guide them to their spot.**
- **Please inform all float participants of these instructions to keep traffic flowing.**
- **Please be patient. We have a lot to check in and this is our first year. We encourage early check-in**
- **BE KIND TO THE VOLUNTEERS, THEY MAY BE JUDGES!**
